## Role and Responsibilities Senior Leadership Lead

### Katy Spreckley

As part of their wider role within the school, the Young Carers School

Senior Leadership Lead should:

- Ensure the SLT and governing body receives regular reports on strengths and weakness and recommendations for developing school's provision for Young Carers from the Young Carers Operational Lead and that these reports are informed by effective use of attendance and attainment data or proactive engagement with pupils and their families.
- Make sure that, where appropriate, Young Carers needs are considered as part of the whole school development plan
- Support, where appropriate, the schools Young Carers Operational Lead, to ensure pupil plans/provision maps and pupil progress meetings are used to record and monitor the delivery of interventions and identify young carers at risk of falling into the not in education, unemployment or training category.
- Facilitate links between the schools Operational Lead and external agencies including school nurse and local Young Carers service to ensure processes of inter-agency working to support Young Carers and their families are established. Where appropriate, agree joint working, together agreements and sharing protocols.
- Facilitate when required, links between the Young Carers schools Operational Lead and feeder schools, colleges, training providers and universities to enable effective support for young carers through transition.
- Ensure the schools Operational Lead understands the referral process to local authority ensures this is followed and/or undertakes whole family work to support adult/disabled siblings and prevent or reduce a caring role.
- Support where appropriate the schools Operational Lead to work with relevant members of staff, to ensure the school and its communications are accessible to families of young carers.
- To facilitate links with feeder/linked schools to enable the sharing of good practice.
