

Week beginning 19th April -30th April 2021

On each day of the challenge, schools compete to see who can record the greatest number of pupils, staff and parents cycling, walking, scooting or using a wheelchair to school. This is going to help with improving health and fitness, mental health and well-being and reduce congestion around our school.

We will be given posters, stickers and prizes to help promote the competition and we may even have a chance at receiving bigger prizes from Big Pedal themselves such as scooters, bikes, helmets, bike locks, gloves etc.

Please encourage your child to participate!
