

Dear Parents/Carers

My name is Tricia Walker and I have recently been appointed as Chair of Governors at Bredbury St Mark's. I have been in school to meet the staff and the children and I am really looking forward to working with everyone to support the school on its journey towards excellence. The good news, after such a long time of uncertainty, is that Mrs Harding has now been appointed as the new head so is no longer in an acting head position.

Your children are fantastic; they are chatty, bright and inquisitive and they love their school. Our job now as staff and governors is to work together with you as parents and members of the local community to make Bredbury St Mark's the best school it can possibly be. I have recently retired as head of a primary school in Tameside, not too far from Bredbury St Marks and I believe all children are entitled to the best educational experiences we can provide for them. I love to see children enjoying their learning and, like you, have high aspirations for them and want them to believe in themselves.

When all the restrictions are lifted I would love to come into school and meet with you all.

TWITTER

One of the ways you can keep up to date with what is going on at school is to follow us on Twitter. It is really easy set up a Twitter account and we would love to get to 100 followers before we finish for the summer!

The details for downloading the app and following St Mark's on Twitter are below (It's all free!)

We currently have 89 followers but would like to get this to over 100 and closer to 200! We want more of our parents to be following us and seeing the fabulous things the children are doing.

If you download the app and follow us, we will give your child a raffle ticket that puts them into a draw for a great family prize!

You've got to be in it to win it!!!

As soon as your name comes up as a follower, your child will get a ticket and we will draw out the winners before we finish for Summer.

You can download the Twitter app for iPhones and Android phones.

Our TWITTER name is @BredburyStMarks

All the very best

Take care

Tricia Walker

Mrs PM Walker
