

BREDBURY ST. MARK'S CE PRIMARY SCHOOL

Dear Parents and Carers,

Harvest is an important time at Bredbury St Marks as we take some time to thank farmers for all their hard work throughout the year and think about others who may not be as fortunate. All year long they work to grow their crops and the harvest is especially exciting because their hard work has finally paid off and they can enjoy the food they grew. With so much uncertainty in the world still due to COVID we wanted to celebrate this special time together.

We would like to launch our **PUMPKIN DECORATING COMPETITION** again. Pumpkins are widely available from supermarkets and green grocers at this time of the year, in a variety of colours and sizes. We would like the children to decorate one to match their favourite TV, book, film character or animal, create a cute face or just add creative patterns to it. As we are a church school it **cannot** be Halloween themed. This is a chance to be as creative as possible!

All entries will be showcased outside the office so you can all see them. The response last year was amazing so let's see how many we can get this year!

The closing date for children to bring their entries into school is **Monday 18th October**. We will also put photographs on our school website and on twitter. There will be prizes for the most creative and inventive entries!

See below for some ideas.

We can't wait to see your fantastic creations!

Kind regards

K. Spreckley
