

DREAM BIG

Fortnightly Newsletter: 4th February 2022 **That Friday Feeling!**

Dear Parents / Carers,

I cannot believe we are entering the final week before the February half term. Although short, it feels like it has been jam-packed.

I am hopeful that after the week's break the days will start to feel longer and the weather will improve. The children are looking tired now and there has been so much illness around, they are looking forward to the break. Please see our fortnightly updates below:

DT Fortnight

This week we started DT fortnight. This is a time for the children to research, design and make a food product. They look at everything from:

What makes good packaging?

Which are the best ingredients?

What name entices people to buy a product?

Then the best bit is they get to make their own and eat it!

Thank you to those of you who contributed. We will let you know what resources we buy for the children.

Staff

Interviews take place next week for a new site manager. I'll keep you posted. Mr Craddock will continue to support us next half term while we settle the new site manager in.

Miss Moore has some lovely news to share that she is expecting her first baby in July. We are so excited for her.

Parents Evening

Our second parents evening will be Tuesday 29th March and Wednesday 30th March. More details will follow after half term.

Year 6 residential

Thank you to all the parents who replied to the questionnaire about the proposed Year 6 residential. This was just to see if you would want your child to attend and be able to pay a maximum of £75. This has now allowed us to make a provisional booking. Over the next few days you will receive a letter with more details on about the trip and asking you to pay a deposit. This will secure your child's place. We are excited to be trying a new location and new activities. Our Year 6's deserve a good send off before they leave!

Thank you for continued support.
Have a wonderful weekend.

Best wishes.

E. Harding
