Feeling the cold!!!!
2nd October 2020

Dear Parents / Carers,
Welcome to our first weekly newsletter. It's definitely starting to feel a bit colder and more like Autumn. It is time for the big coats, hats and thermals! This week has been a busy week and we absolutely loved seeing the children dressed up for Disney day yesterday. Thank you for the effort you made and to those who gave permission for photographs to go on the school website. They will be uploaded soon and will be on the Home Page at the bottom under 'read our latest news'.

Face masks: As you know the COVID infection rate in Stockport is continuing to rise. Therefore, from Monday we are requesting that **ALL adults** wear facemasks on the school premises. The staff will also be doing this outdoors when they see the children in to and out of school. It is important that we all play our part. More and more schools are having to close down some year groups to self-isolate so if we remember **hand, face and space** we are doing everything possible to keep our school open. Thank you for working with us on this.

Kind regards
E. Harding

Special mentions

Next week is WALK TO SCHOOL WEEK where children and grown ups around the world unite for one week of walking to school. It is a 5 day walking challenge to raise awareness and celebrate walking for all. The children will be well on their way to reaching their recommended 60 minutes minimum of physical activity per day before even reaching school! Not only will it set them up for a positive day in the classroom, it will also help create healthy habits for life.

Attendance

We want all attendance to be **over 95%**. Class attendance from September to now:

Reminders

Some parents / carers are arriving very early to pick up their children. Please stick to your allocated time as this means you do not have to wait around and therefore increase the risks of being close to other families. If a PE lesson is taking place outside please wait until it has finished and the children have gone back into the school building before entering the large playground.

Looking aheadDiary

Dates

Next week you will be notified about parent's evening. We are going to be offering phone calls with your child's class teacher across the week beginning 19th October. This is due to us only having two school phone lines. You will book on using the normal booking system. This will be an opportunity for us to share how your child has settled into their new class and the targets we are working towards.
