

BREDBURY ST. MARK'S CE  
PRIMARY SCHOOL

6<sup>th</sup> October 2020

Dear Parents and Carers,

As the risk of transmission in relation to Covid-19 in our local area is on the rise, and additional local restrictions have been put into place, we need to do all we can as a school community to protect ourselves and others.

In light of the changing Covid-19 guidance, we are making some adaptations to routines associated with school drop off and pick up. We are asking that **all parents/ carers wear a face mask or face covering whilst on the school premises** (children do not need to wear one). We place high emphasis on the safety of our children and our families, and ask that this new expectation is adhered to.

We will review these changes on a regular basis, in line with national/ local guidance. We ask that you support the school with this decision, however, we must be clear that this is a request and we cannot enforce it.

We thank you in advance for your support with these changes.

Yours Sincerely,

Mrs E Harding
