Friday 30th September 2022

Dear Parents / Carers,

It is most definitely feeling like Autumn now! I hate to say it but we've had to put the heat on!!!

The last few weeks have been super busy. The electrical works are now finished in Year 2 and will be starting in Year 1 on Monday. All the clubs are now up and running. The children are fully settled into routines and learning is on full steam ahead! I was quite traumatised yesterday as I walked in on Year 3's science lesson where they were looking at a REAL heart!!!! Now if that's not first hand experiences I don't know what is! I heard comments like 'I wish I could show my mum this!' We'll add you to the invite list for next time!

Mrs Nichol has had a baby girl called Freya.

## DON'T FORGET

- Friday 7th October - Year 6 assembly
- Every Friday - you are invited to join us in church for worship
- Apply for you Reception and High school places

# WELCOME

Next week we have 3 new families starting from Afghanistan. Most Stockport schools have opened their doors and welcomed families who have been evacuated. We know the parents and children will be very nervous but I have assured them they will be welcomed with open arms. They only have a little English so a friendly smile as you pass them in the playground will mean the world.

# PLEASE

This week we sent out information requesting interest from parents who would like to be a parent governor. We have 2 spaces available which must be filled. I am sad to say we have had no one come forward. This is a really exciting time to be part of a passionate team making important decisions about how the school runs and continues to move forwards. NO EXPERIENCE IS NECESSARY just a desire to help. Our current governors are extremely welcoming and I am also present at all the meetings. I know so many of you would be perfect so please do put your names forward.

## Year 6 residential

Information has now been shared about the Year 6 trip in June. Please ensure you send the permission form back on the Parent App and pay the deposit to secure your child's place. We have worked incredibly hard to keep the cost down so that everyone can attend. I know of local schools who are charging up to £300 for residentials and in the current climate we know this would mean only a handful of children would be able to afford to go. The important thing for us is that everyone attends.

## Stars of the week

This weeks stars of the week from last week and this week are:

Nursery: Chloe and Jayden

Reception: Kian and Amaria

Year 1: Jacob and Faith

Year 2: Herman and Jaden

Year 3: Zunaira and Roary

Year 4/5: Thomas and Evelyn

Year 6: Maddison and Amaria

Stars of the week are children who have tried really hard with their learning or gone out of their way to show our school values of: hope, perseverance, courage, love, friendship and forgiveness. They will come home today with a badge to celebrate - they can keep this.
